KEY ACHIEVEMENTS

- Successfully managed sales opportunities from prospecting through final closure.
- Independently converted qualified prospects into customers through consultative selling and structured follow-up.
- Consistently worked toward and achieved assigned sales targets.
- Developed and maintained sales pipelines to manage multiple opportunities simultaneously and built strong customer relationships through needs-based selling and ongoing engagement.

WHAT I BRING

Hunter's Mindset, Customer-First Approach: I enjoy creating opportunities from scratch while building the trust needed to convert prospects into long-term customers. I take ownership of the sales journey—from prospecting and pipeline development to needs analysis, objection handling, negotiation, and closing. I take ownership of the number, not just the activity, with a strong focus on disciplined follow-up, customer value, and measurable sales outcomes.

RESULTS & OWNERSHIP

- Take personal ownership of assigned sales targets and pipeline performance.
- Build opportunities through proactive prospecting and consistent lead follow-up.
- Independently manage customer conversations from initial engagement through closure.
- Focus on converting qualified opportunities rather than simply increasing activity volume.
- Maintain persistence throughout longer or challenging sales cycles while keeping the customer relationship at the centre of the process.
